This hOT Topic is a starting point and overview of key readings including articles, books and selected websites for members of the British Association of Occupational Therapy relating to Dyslexia. This Bulletin is not exhaustive and does not provide information about all issues that affect occupational therapists.

To order articles please request a photocopy form from the library. The form can also be downloaded from our website (www.cot.org.uk). Please note all photocopies will now be supplied at a standard charge of £3.00 per article. This includes postage and handling. A maximum of six articles can be ordered at any one time. This service is only available to BAOT members.
