Occupation-centred practice

This hOT Topic is a starting point and overview of key readings including articles, books and selected websites for members of the British Association of Occupational Therapy relating to Occupation-centred practice. This Bulletin is not exhaustive and does not provide information about all issues that affect occupational therapists.

To order articles please request a photocopy form from the library. The form can also be downloaded from our website (www.cot.org.uk). Please note all photocopies will now be supplied at a standard charge of £3.00 per article. This includes post age and handling. A maximum of six articles can be ordered at any one time. This service is only available to BAOT members.
