

EDB toolkit #1 instructions

1. Toolkit

This is the interactive EDB toolkit #1.

To view as intended, please open the PowerPoint file and click to view slideshow from beginning.

Please use the arrows or on screen instructions to navigate through the toolkit.

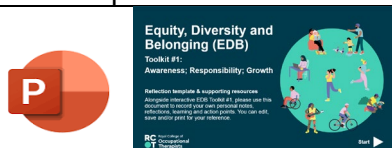

We hope that this will be on the website in the format of a live, interactive presentation ie. not a .ppt file that you have to download and make active.

Plain text transcript currently in progress to support accessibility.

2. Accompanying reflective tool

As self-assessment and reflection are encouraged throughout the toolkit. we've made a template to be used alongside to support users to capture those reflections.
