We require experienced Occupational Therapists to act as Expert Witnesses. If you are confident, have excellent communication skills, enjoy a challenge and are intrigued by the forensic nature of this work – this could be the position for you.

We offer you:

- Casework to fit in with other work; you work on a self-employed, flexible basis, alongside your "day job"
- This is a remote working position
- Excellent remuneration
- Access to our Annual Training and Resource Package.

Requirements:

- Practising clinically in a senior role with a minimum of 7-8 years' post qualification experience (inclusive of any case management experience)
- Previous medico-legal experience not essential
- Registered with the HCPC.
