

# LUNCH & LEARN

## Indulge in expert insights

Experience expert insight, helping OTs find the ideal solutions for clients with limited mobility.

Don't miss out on exploring our knowledge, experience, live demonstration of innovative products, installations, and adaptations that cater to individuals from Paediatric to Adult to Bariatric.

A **FREE** in person session that cannot be missed!

- Bathing & Hygiene
- Turnkey Adaptations
- Moving & Handling
- Postural Seating
- Inclusive Designs

*"The Lunch and Learn session provided by Wealden Rehab was really useful for our team. We enjoyed being able to revisit some equipment and see products unknown to us. The presenters were all very knowledgeable and were keen to promote our engagement, trial of equipment and answered all our questions. The provision of lunch was a huge bonus! What a great spread! Thank you"*

*Surrey Senior OT*
