How to make the bunting

Step 1

Print out the bunting, ideally on A3. Print as many copies as you need to make the bunting as long as you want it to be.

Step 2

Cut along the perforated lines to separate each piece of bunting.

## Step 3

Use a hole puncher to create the holes in the corners of each piece of bunting.

Step 4

Thread some string or ribbon through each hole.

Step 5

Hang up and celebrate OT Week!

Example of how it should look:

We haven't included OT Week on the bunting so that you can use it for longer - if you want to!
